

METALLA COMPLETES ACQUISITION OF ROYALTY PORTFOLIO FROM ALAMOS GOLD

FOR IMMEDIATE RELEASE

[TSXV: MTA](#)
[OTCQX: MTAFF](#)

April 17, 2019

Vancouver, British Columbia: Metalla Royalty & Streaming Ltd. (“Metalla” or the “Company”) (TSXV: MTA) (OTCQX: MTAFF) (FRANKFURT: X9CP) is pleased to announce that the Company has completed the first closing on its previously announced acquisition of the royalty portfolio (the “**Royalty Portfolio**”) from Alamos Gold Inc. (NYSE:AGI)(TSX:AGI) and its affiliates (collectively “**Alamos**”) in accordance with a purchase and sale agreement between Metalla and Alamos.

As consideration for the transaction, Metalla has issued to Alamos 8,219,009 common shares of the Company for fifteen royalties. Certain additional royalties in the Royalty Portfolio are subject to rights of first refusal, consents, and future options at agreed to prices and such royalties will be acquired by the Company pursuant to a second or additional closings.

ABOUT METALLA

Metalla is a precious metals royalty and streaming company. Metalla provides shareholders with leveraged precious metal exposure through a diversified and growing portfolio of royalties and streams. Our strong foundation of current and future cash-generating asset base, combined with an experienced team gives Metalla a path to become one of the leading gold and silver companies for the next commodities cycle.

Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking information" and "forward-looking statements" within the meaning of applicable Canadian and U.S. securities legislation. The forward-looking statements herein are made as of the date of this press release only, and the Company does not assume any obligation to update or revise them to reflect new information, estimates or opinions, future events or results or otherwise, except as required by applicable law.

Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budgets", "scheduled", "estimates", "forecasts", "predicts", "projects", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward-looking statements and information include, but are not limited to, statements with respect to timing and completion of any second closing transaction, any exercise of options on royalties granted to Metalla by Alamos, anticipated cash flows upon completion of the transaction, future financial reporting by Metalla, the receipt of payments from Metalla's mining royalty and streaming portfolio, the requirement for regulatory approvals and third-party consents, the Company's financial guidance, outlook, proposed plans for acquiring additional stream and royalty interests and the potential of such streams and royalty interests to provide returns and the completion of mine expansion under construction phases at the mines or properties that the Company holds an interest in. Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties, and contingencies. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Metalla to control or predict, that may cause Metalla's actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein, including but not limited to: the requirement for regulatory approvals and third party consents, the impact of general business and economic conditions, the absence of control over the mining operations from which Metalla will purchase gold and receive royalties, including risks related to international operations, government relations and environmental regulation, the inherent risks involved in the exploration and development of mineral properties; the uncertainties involved in interpreting exploration data; the potential for delays in exploration or development activities; the geology, grade and continuity of mineral deposits; the possibility that future exploration, development or mining results will not be consistent with Metalla's expectations; accidents, equipment breakdowns, title matters, labor disputes or other unanticipated difficulties or interruptions in operations; fluctuating metal prices; unanticipated costs and expenses; uncertainties relating to the availability and costs of financing needed in the future; the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations; currency fluctuations; regulatory restrictions, including environmental regulatory restrictions; liability, competition, loss of key employees and other related risks and uncertainties. Metalla undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management's best judgment based on information currently available. No forward-looking statement can be guaranteed, and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information. Some of the disclosure in this press release is based on information publicly disclosed by the owners or operators of these properties and information/data available in the public domain as at the date hereof, and none of this information has been independently verified by Metalla.

Readers are cautioned that forward-looking statements are not guarantees of future performance. All of the forward-looking statements made in this press release are qualified by these cautionary statements.
